

# Decorated Vehicle Parade

June 12, 2021 • PHS • 9:00 AM

## Procession Directions

*This special event provides our graduating seniors their processional "walk" by means of their vehicles.*

- Graduates need to arrive at the Spratley Gifted Center no later than 8:30 a.m. wearing their graduation regalia.
- Each senior/family will be permitted to have one vehicle in the procession.
  - Seniors/families may decorate their vehicle in appropriate celebratory decorations.
  - **Please bring the signs (e.g., highest honors, honors, 2021 graduate) that were provided during the cap and gown pick up. These signs need to be visible on the dashboard of the vehicle in order for the graduate's name to be called as the vehicle proceeds through the line.**
  - It is important to note that individuals must remain in their vehicle during the entire procession.
  - Once the procession has concluded, vehicles will need to exit the school immediately.
- In order to guarantee social distancing, only staff members will be allowed outside of a vehicle on school property.

## Parade Route

- Stage at Spratley Gifted Center
- Right on Woodland Road
- Left on Ireland Road
- Finish at PHS student parking lot
